*We wish to express our sincere gratitude for your thoughtfulness during this time of loss of our dearest Mother M Annunziata.*

*Mother too, would have appreciated your kind gestures. She spoke often of the generosity and kindness of people; we know this would have touched her very deeply.*

*Many of you have expressed such beautiful sentiments, and we sincerely thank you. Thank you all so much for your kind words, your generous gifts and messages, and most of all, for your support in this difficult time.*

*May God bless you and be assured that you will always be remembered in our Eucharistic Adoration.*
