

Council of the Institute Sister Disciples of the Divine Master

N.3

ANTIPOLO 20 JANUARY-10 FEBRUARY 2026

Between faith, memory, hospitality

On Sunday, February 1, our journey led us to Manila Cathedral for the Eucharistic Celebration, during which we received a warm welcome from the presiding priest.

Walking through history, we visited *Intramuros*, a historic site and a symbol of the resilience, memory, and rebirth of the Filipino people.

The visit to the two Pie Discepolo communities in Manila allowed us to experience the spirit of hospitality and the joy of encounter with the sisters, who welcomed us with generous fraternity.

Along the synodal journey

The days that followed were dedicated to listening and dialogue with the General Secretariats regarding their service in the various areas of the life of the Congregation.

Ample space was given to the Secretariat for Formation, with the participation—online and through video recordings—of the teams working on the revisions to the General Formation Plan and the Ritual of Profession. From the shared reflections, several considerations and suggestions emerged to be integrated. A heartfelt thank you to all those who are committed to serving in the different Secretariats.

With a grateful heart

The Feast of the Presentation of the Lord, the World Day of Prayer for Consecrated Life, was celebrated with solemnity and great joy. In the evening, we gathered together with the local community of Antipolo for a time of recreation, enlivened by vocational songs in various languages. And to conclude the celebrations, delicious ice cream was enjoyed by all!

*Look toward heaven and count the stars..." (Gen 15:5)
Transforming fragility into a generative journey.*
